

Sussex County Community College

Policy No.: 102.2

Area: Administration

Adopted: March 22, 2013

102.2 Policy Regarding the Use of Human Subjects in Research

Any research conducted by the Sussex County Community College faculty, staff, students, or by any outside party, that involves human subjects in research activities shall be conducted in a highly ethical manner and in compliance with any federal, state or local laws and regulations.

The College President shall establish procedures for the implementation of this policy in compliance with all applicable laws and regulations in order to safeguard the rights and well-being and personal privacy of individuals, and to protect the interests of Sussex County Community College.
