

501.2 Student Athlete Participation Eligibility

PURPOSE OF THE POLICY

This policy determines student athlete participation pertaining to academic eligibility in order to compete. This policy allows for determinations to be made if a student is eligible or not to compete on an athletic team, thus allowing for equitable competition within and outside the college.

GENERAL STATEMENT OF STUDENT ATHLETE PARTICIPATION ELIGIBILITY

The rules of athletic participation are developed, adopted and approved by members of the National Junior College Athletic Association (NJCAA). Sussex County Community College is a member of the NJCAA. It is the responsibility of the Athletic Director to determine a student athlete's eligibility to compete and to implement and apply all rules of the NJCAA.
