ABOUT THE FOUNDATION

The mission of Sussex County Community College Foundation enhances the College's mission of providing educational excellence and cultural opportunities to the residents of Sussex County and beyond.

The Foundation supports this mission through fund-raising and friend-raising efforts on the College's behalf. Funds are generated through annual giving campaigns, special events, and direct contributions. The funds raised support student scholarships, infrastructure, and expansion.

From attending events to creating scholarships, your generosity creates access and opens doors for countless members of our community.
